The world has learned the meaning of terror. A decade after the events of Raccoon City, the evil Umbrella Corporation has been destroyed, but the effects of its horrific creations still linger. Gripped in fear of another biological incident, world governments formed the bioterrorism security assessment alliance, determined to stem the spread of biological attacks.

Now, Agent Chris Redfield has been sent to Africa to investigate reports of a new, more dangerous outbreak. Joined by his new partner, Sheva Alomar, both must work together to discover what's really happening and stop whoever is continuing Umbrella's evil legacy.

For the first time, join forces with friends as you control Chris Redfield or Sheva Alomar and fight

Intense visuals so real, you won't be able to forget them.

Powerful lighting effects create tension in both harsh sunlight and extreme darkness.
